A Hopeful Promise: Little Amina's Story

In a congested Wairaka Ward outside the village's commercial center resides little Amina and her devoted single father, Yunus. Amina's dreams of a brighter future are dimmed by a persistent foot infection. Despite her father's efforts to secure his daughter's medical attention, his sporadic earnings from part-time taxi driving couldn't cover Amina's extensive medical costs. Now, she grapples with physical challenges and confinement to her home daily.
